Moraine Valley Community College

Palos Hills, IL

Associates in Engineering Science

Aug. 2022 - May 2023

RELEVANT COURSEWORK

- Data Structures
- Algorithm Development
- Algorithms Analysis
- Database Management
- Computer Hardware
- Wi-Fi Troubleshooting
- Systems Programming
- Web Development

EXPERIENCE

IT Intern

June 2025 - Aug. 2025

Chicago Metropolitan Agency for Planning

Chicago, IL

- Responded to and resolved employee help desk tickets, performing device updates, troubleshooting hardware/software issues, and ensuring minimal downtime.
- Supported cybersecurity initiatives by creating and executing phishing simulation campaigns to improve employee security awareness.
- Imaged and configured laptops for new hires and interns, ensuring proper software deployment, account setup, and security compliance.
- Managed and remediated device vulnerabilities using ManageEngine Endpoint Central to maintain organizational security standards.

Server

Aug. 2022 – Present

Danny's Pizza on Archer

Chicago, IL

- Provided exceptional customer service by accurately taking and processing orders, as well as ensuring customer satisfaction.
- Managed several tables in a fast-paced environment, balancing food and drink orders while maintaining attention to detail.
- Processed cash, credit card, and digital payments accurately, balancing cash drawers at the end of each shift.

PERSONAL PROJECTS

Personal Portfolio | *HTML, CSS, Figma*

Dec. 2024

- * Designed and prototyped a responsive personal portfolio website in Figma, focusing on user-friendly interface and modern aesthetics.
- * Developed and deployed the website using HTML and CSS, ensuring cross-device compatibility and clean, maintainable code.

EXTRACURRICULAR ACTIVITIES

Web Development Club

Sept. 2024 - Present

Web and Mobile App Development

Fall 2024

- * Won 1st Place in a Hackathon for developing a student-focused web application that helps organize schoolwork and enhances communication between classmates for improved content understanding.
